

HOMEOWNERS

Protect your investment

The extra measure of protection when a credentialed company installs a CertainTeed Siding Solution System^.

SureStart™ PLUS Protection for individual homeowners who own and use the property as their residence where the siding is installed. (Excludes condominiums, homeowners associations, etc.; refer to CertainTeed’s limited warranty for details.)

All CertainTeed siding products carry standard warranty protection which covers manufacturing defects. When a CertainTeed Siding Solution System is installed, your SidingMaster™ PRO Credentialed Contractor is authorized to offer you SureStart PLUS protection, which takes traditional warranty protection and extends to include transferability with no proration, and covers disposal fees.
